4th March 2014

Dear Parents

Internet Safety

Are you as good a parent on-line, as you are off-line?

The internet has changed all of our lives, particularly our children's. For parents, this has opened up a whole new world of things to be aware of.

Perhaps you are struggling to keep up with the things your child is doing online, or maybe you wonder whether what they are doing is safe, and you might also be thinking *how can I be as good a parent online as I am offline?*

We are very pleased that Vanessa Hasty, our ICT Leader, will be holding an information session for parents on internet safety. She will share with you tips for keeping your children safe, and answer any queries you may have. The sessions will be held on **Wednesday 12th March** at 8.45am and 2.00pm.

If you would like to come along, please complete the reply slip below indicating your choice of session and return it to school by **Monday 10th March**.

Yours sincerely
