Dear Parent and Carers

Eco-Friendly lunches at Thorpe Primary School

We have been thinking about the environment and how we can cut down on the amount of paper we use in school. Therefore after half term we will no longer be sending home the paper copies of the menus. We will email them out as usual, they will be on the school website www.thorpeprimary.co.uk, and they will be on ParentPay where you can pre-order and pay for your children's meals. If you would like a login for ParentPay or have lost your login, please let the office know and we can sort this out for you.

Another change to our menus will be that the "Picnic option" will be served on a plate, rather than in a bag and the children will be able to pick from the "To go with" and "Dessert" options to accompany their meal. There will be milk and water available for the children to drink rather than the cartons of juice.

We are sure that children will enjoy these changes and feel proud that they are helping to protect the planet by being environmentally friendly.

Please contact the school office if you do not have access to a computer or have any queries.

Yours sincerely

K. Trethewy
