1. Policy Statement

- 1.1. At the heart of our mission is the belief that every individual has untapped potential waiting to be unlocked. By fostering an environment that challenges and supports growth, we want to create pathways for social mobility. By providing the right tools, guidance, and opportunities, we enable each person to overcome barriers and reach their fullest potential.
- 1.2. We want our schools to not only places of learning but vibrant communities where every person feels they truly belong. Within this students, teachers, and support staff alike should feel they are developing and succeeding. This success should be an achievable reality for all, irrespective of background or circumstance. It may be quite different for each of us, but the key is the feeling of pride in doing well and enjoyment of the journey.
- 1.3. We are committed to building inclusive environments where the uniqueness of every individual is celebrated, and where collective growth is the norm.

2. Change Summary

- 2.1. This is the first policy iteration.

Introduction

- 2.2. This policy is to be read in conjunction with the Trust Behaviour Policy.
- 2.3. In keeping with the philosophy embodied in the Academy statement, all members of the Trust community will be treated with respect and their uniqueness celebrated. Bullying in all its forms will not be tolerated under any circumstances. Any incident of bullying or intimidation will be dealt with swiftly in a fair and firm manner and when necessary, using restorative practices. The procedures set down in this policy are intended to both prevent incidents of bullying and intimidation and deal with them if they do arise.
- 2.4. It will be the policy of the Academy to provide support for both the victim and the perpetrator and provide guidance to prevent the problems from arising again. Through this policy we will seek to protect those who are bullied and attempt to provide them with strategies to empower them and strategies to deal with incidents of bullying. It will also seek to help the perpetrator to accept responsibility for their actions and address his or her offending behaviour. As a community, the vehicle we use for this is mediation.
- 2.5. It is the policy of the Academy that all members of the Trust community are able to benefit from a safe and secure environment and take advantage of the opportunities available here at the Academy.

3. Definition of Bullying

- 3.1. The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face to face or online. (Antibullying alliance 2024)
- 3.2. How does bullying differ from teasing / falling out between friends or other types of aggressive behaviour?
 - a) There is a deliberate intention to hurt or humiliate.
 - b) There is a power imbalance that makes it hard for the victim to defend themselves.
 - c) It is usually persistent.
- 3.3. Occasionally an incident may be deemed to be bullying even if the behaviour has not been repeated or persistent – if it fulfils all other descriptions of bullying. This possibility should be considered, particularly in cases of: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex; or when children with other vulnerabilities are involved. If the victim could be in danger then intervention is urgently required.
- 3.4. All incidents relating to protected characteristics must be reported, logged and monitored. Protected characteristics: age; disability; gender reassignment; pregnancy and maternity; race; religion or belief; sex
- 3.5. These must be **reported to the DSL without delay**.

- 6.1. Our Academies have clear and well publicised systems to report bullying for the whole community (including: staff, parents/carers, children and young people) this includes those who are the victims of bullying or have witnessed bullying behaviour (bystanders).
- 6.2. There are various ways to report bullying:
- a) Students should report any incidents of bullying to members of the staff pastoral team, form tutor or class teacher.
 - b) Parents / Carers should phone to speak to the staff pastoral team, form tutor or class teacher, if the staff member is not available, the parent should give a brief outline of the incident to the receptionist who must then ensure that the information is shared with relevant colleague with immediate effect. The parent should expect a call back within 48hours but where possible on the same day. Arrangements will be made by the Academy to facilitate parents who do not have English as a first language in order to open up dialogue and be able to express concerns where possible.
 - c) All staff and visitors to report directly to reception, providing as much detail as possible to the Senior Leader responsible for complaints.
 - d) Bystanders should report any incident of bullying to their staff pastoral team, form tutor or class teacher. Reports will be dealt with confidentiality and sensitivity.
- 6.3. When an incident is reported, the following should take place:

 - i. Written responses and details to be collected from those involved by the member of staff dealing with the issue. Statements should be collated from those involved and witnesses / bystanders.

The purpose is to give the bully an opportunity to explain and given an opportunity to take responsibility, and to be reminded how serious the Academy considers the issue of bullying. Strategies will be used so the bully understands the effect their actions have on the victim.

- iii. In most circumstances it will be appropriate for all those involved to be brought together with appropriate members of staff to discuss the situation and to agree a solution to the problem using mediation. The members of staff act as support and will chair the meeting.
 - iv. The member of staff who has dealt with the matter should ensure that all relevant staff are informed of the problem.
 - v. All parents will be informed of the facts and when and, if appropriate, involved in discussions in Academy.
 - vi. Appropriate sanctions will be applied depending upon the nature and degree of bullying.
 - vii. If appropriate: counselling / mentoring will be arranged with a suitable member of staff.

 - x. Where necessary a protected characteristic should be completed.
- b) Bullying by a Staff Member

The Academy has a duty to follow up any incidents relating to a member of staff who is alleged to be responsible of a possible bullying incident.
