5th October 2022

Dear Parents

Reception – Local Environment Walk

As part of our Knowledge and Understanding focus this term, we will be discussing houses. On **Wednesday 12th October** we will be going on a local walk to look at different types of housing and the materials they are made from. R Hughes will be going in the morning and R Donaldson will be going in the afternoon.

It would be helpful if you could talk to your child about the type of accommodation that you live in and your local surroundings. Please see the homework activity asking you to upload a photograph of your house onto seesaw to support our learning.

Yours sincerely

S. Joyce
