Dear Parents/Carers,

### Ofsted Inspection Outcomes and Report

I am extremely pleased to be able to inform you that the full Section 5 Ofsted Report from our two-day inspection in September is now available for you to read and a copy is attached for your convenience. The report can also be found on our website in the 'How are we doing?' section within the School Information tab. We have been informed that the report will be published on the Ofsted website within 8 working days.

**We are delighted to share with you that the school has been judged to be GOOD in all areas:**

<b>Overall effectiveness</b>	<b>Good</b>
The quality of education	Good
Behaviour and attitudes	Good
Personal development	Good
Leadership and management	Good
Early years provision	Good

This is an excellent achievement, particularly at a time when the benchmark for 'Good' is at the highest level it has ever been.

It is great to be able to share with you that the hard work undertaken by our staff and our school community has been recognised and the inspectors could see how committed we are to ensuring that 'all pupils access a high-quality education.' We are particularly proud that the inspectors could see the positive relationships between children and staff and that the children 'feel well cared for and safe.'

The report identifies two areas to further improve and these are already aspects of our provision that we had identified for development.

We are very proud to have achieved such a positive outcome and it is down to the hard work and dedication of staff, the support from you as parents and, of course, your amazing children. I continue to be very proud of our school community and remain honoured to be your children's Headteacher.

Yours sincerely,

*Mrs K Trethewy*  
Headteacher
