Dear Parents and Carers,

Parents Evening Events

During the face-to-face parents evening, Tuesday 17th October, we will have various stalls led by members of staff. These will be in the small hall from 3:10 to 6:20.

SEND (Special Educational Needs and Disabilities) Information

Our SENCo (Special Educational Needs Co Ordinator) Mrs. Charlton, will be available for questions and advice. She will have leaflets to support with areas that may be useful supporting your child at home

Pupil Premium Information

You may be aware that schools receive Pupil Premium funding for children who at some point during their 7 years at primary school, have been eligible for free school meals; this is led by Mrs. Jeremaes and Mrs. Oxe. At Thorpe we share our Pupil Premium Strategy on our website and a detailed breakdown can be found showing how we spend this extra allocated funding and the impact. More information about Pupil Premium funding can be found on the GOV.UK website: <https://www.gov.uk/guidance/pupil-premium-information-for-schools-and-alternative-provision-settings>. If you have questions or suggestions about Pupil Premium Funding or think that your child may be eligible for Pupil Premium Funding, please see us at the Pupil Premium Information Point.

Mental Health Support Team

Jenny Nanda, the Senior Clinician from the Mental Health Team and Jade Fitzgerald, Education Mental Health Practitioner will be in attendance to offer their support and advice. The NHS Mental Health Support Team from the Emotional Health and Wellbeing Service provides early mental health support for children and young people within schools. They also work with parents and teachers to help them support children and young people's mental health. Come along and have a chat about their services and support that they can offer

Pastoral / Family Liaison Team

Mrs Akhtar and Mrs Mastrocristino will also be in the small hall to signpost support on offer and share ideas of how to support the social, emotional well-being of your family.
