Dear Parents and Carers,

Reception visit to St Andrews Church on Thursday 21st March 2024

As part of the reception studies in R.E on the theme of Christianity, we have been looking at the church as a special place of worship.

We have arranged for the children to visit the local church on Ledbury Road. This will allow the children to gain a first-hand experience of the topic we will be looking at this half term.

The children will have a look at the significant features inside the church and learn about what they signify.

The children will not take part in any acts of worship while on this trip, it is solely for the experience. No religious activities will be included.

The visit will take place within the school day, so children will arrive at school and be collected from school as normal.

Yours sincerely,

L. Beeny
