Deputy Head: Mrs N Oxe

Dear Parents and Carers,

We're thrilled to share that our next class topic is the Rainforest! To kick things off with some fun and hands-on learning, we've invited Zoolab to join us for an exciting workshop called "Rainforest Unwrapped."

The rainforest provides us with incredible resources like wood, medicine and food, but sadly, these are being used up far too quickly because of human activities. During the workshop, the children will discover the effects of deforestation and brainstorm creative ways we can help with recycling and sustainability.

By making a few small changes in our daily lives, we can all be heroes for this vital habitat and help protect it for future generations. We truly believe this workshop will be both fun and educational, giving the children a deeper appreciation for taking care of our planet! Plus, they'll have the chance to meet and even handle some amazing animals like a corn snake, Giant African Land Snail, Madagascar hissing cockroach, gecko, and more!

The workshop is taking place on Friday 28th February and the cost is £3.00 to cover the experience of Zoolab. If your child is in receipt of Pupil Premium funding, we are offering a 50% discount of the price which makes the cost £1.50 per child. Payments must be made by ParentPay. If you have not registered for ParentPay or have forgotten your log in details, please contact the office, who will be happy to help.

Thanks so much for your support!

Kind Regards

N. Lima
