Autumn	<p>In the Early Years it is the adults responsibility to ensure children are safe online and to begin to teach children about this. Any independent use of technology such as ipad's is preplanned with games selected by an adult and guided access settings in place. All videos shared online are pre-watched by adults first. We will begin to help children understand online safety through simple stories, as well as sharing information and advice with parents. EYFS staff will also keep up to date with online safety issues, news and research.</p>		1.1 – Self-image and Identity	2.1 – Online Bullying	3.1 – Online Relationships	4.1 - Privacy and Security	5.1 - Self-image and Identity	6.1 - Online Reputation
