Year 4 Dodgeball Autumn Term 2014

DUCK, DODGE, DIP, DIVE..... and DODGE

That was the name of the game for the final Cluster Sports Festival of the year - the Year 4 Dodgeball Festival. Dodgeball is a fast, energetic, dynamic activity that students really love to play. The popular film really brought Dodgeball to the attention of children. The aim of the game is to throw the ball at the opposition team, trying to hit them anywhere on the body, which results in them being out. Once a team is out entirely, the game is over and the team with the most members remaining are the winners.

240 Year 4 students from across the Jack Hunt Cluster attended the annual Dodgeball festival. Quite possibly the noisiest most energetic festival of all. Students competed in a Round Robin Tournament, where they played matches against all other schools - see the results table below.

A primary member of staff commented "*Well done to your sports leaders for organising a great festival. Our children, although not winning every time, had great fun and want to have it as their class game to teach the rest of the phase.*"
