

# Jack Hunt Sports Partnership

## Cross Country Spring Term 2014-2015

Monday 23 February was a cold and blustery day, but that did not deter 75 excited, committed brave Year 5 and 6 students from All Saints Primary and Thorpe Primary competing in the second Sports Partnership Cross Country competition. The students raced around a 1.2km course at Jack Hunt School in challenging and extreme conditions. While the students found this a difficult, yet rewarding challenge, every single student that started the race completed it. Well done everyone.

Mr Smith

The team and individual results are:
