

Jack Hunt Sports Partnership

Multi Skills Festivals Spring Term 2014-2015

Year 1 and 2 Multi Skills Festivals

During January and February over 500 students from across the Jack Hunt Sports Partnership attended a range of Multi Skills Festivals. These fun and engaging activities focus on developing primary students' basic FUNdamental agility, balance and coordination, while also developing their communication and interpersonal skills as they work alongside students from other primary schools. Students took part in relay races, bean bag activities, target games, skipping, throwing and catching and everyone took part in a mass 'Cha Cha Slide' warm up, ably led by the Sports Leaders.

Primary PE Manager – Tim Smith commented

We are really pleased with the response we have had from the schools bringing so many students over to the festivals. Both the primary and secondary students get so much from these festivals. The smiles, laughs and expressions on their faces is priceless. As for the Sports Leaders they have an opportunity to experience working with a range of primary aged students, but many of them find that working with the really young students the most rewarding. This year we have added in the foundation multi-skills festivals that are due to take place during March. I'm sure this will be another fantastic experience for all.

Mr Smith
