

Recovery Plan
Power Maths Year 2: Yearly Overview

What children missed in Y1						
Unit 14: Number- fractions (halves and quarters)						
Unit 15: Geometry- position and direction						
Unit 16: Number- numbers to 100						
Unit 17: Measurement- time						
Unit 18: Measurement-money						
Textbook	Strand	Unit		Number of lessons	Prerequisite unit	Key lessons
Y1 Textbook C	Number – number and place value	16	Numbers to 100	9		Lesson 3: Partitioning numbers Lesson 8: Bonds to 100
Y2 Textbook A	Number – number and place value	1	Numbers to 100 Evidence WT Lesson 9 2,5,10 Evidence Exp Lesson 4 Partition	10	See above prior learning	
Y2 Textbook A	Number – addition and subtraction	2	Addition and subtraction (1) Evidence WT + and – ones Lesson 6 + and – tens Lesson 8	12	See above prior learning	
	Number – addition and subtraction	3	Addition and subtraction (2) Evidence Exp: + and -	9	See above prior learning	
Y1 C	Measurement	18	Money			Lesson 1: recognising coins Lesson 2: recognising notes
Y2 Textbook A	Measurement	4	Money	9	Year 1C Unit 18 Money Year 1C	Lesson 1: Recognising coins Lesson 2: Recognising notes
Y2 Textbook A	Number – multiplication and division	5	Multiplication and division (1)	9	See above prior learning	

Recovery Plan

Power Maths Year 2: Yearly Overview

Y2 Textbook B	Number – multiplication and division	6	Multiplication and division (2)	9	See above prior learning	
	Statistics	7	Statistics	7	No matching unit in Year 1	
	Measurement	8	Length and height	5	Year 1C Unit 10 Length and height	This was covered remotely in Y1 Lesson 4: Measuring length using a ruler
	Geometry – properties of shape	9	Properties of shapes	12	Year 1A Unit 5 2D and 3D shapes	Lesson 1: Naming 3D shapes 1 Lesson 3: Naming 2D shapes 1
Y1 Textbook C	Number – fractions	14	Halves and quarters	5	Year 1C Unit 14 Halves and quarters	Lesson 2: Finding halves 2 Lesson 4: Finding quarters 2
Y2 Textbook C	Number – fractions	10	Fractions	14	See above prior learning	
	Geometry – position and direction	11	Position and direction	4	Year 1C Unit 15 Position and direction	This was not covered in Y1 Lesson 2: Describing positions 1 Lesson 3: Describing positions 2
	Number – addition and subtraction	12	Problem solving and efficient methods	12	Year 1B Unit 7 Addition within 20 Year 1B Unit 8 Subtraction within 20 Year 1C Unit 12 Multiplication Year 1C Unit 13 Division	Discover and Share sections of: Unit 7 Lesson 6: Solving word problems – addition Unit 8 Lesson 8: Solving word and picture problems – addition and subtraction Unit 12 Lesson 6: Solving word problems – multiplication Unit 13 Lesson 5: Solving word problems - division
Y1 C	Measurement	17	Time			Lesson 4: Telling time to the half hour (Discover and Share) Lesson 5: Solving word problems – time
Y2 Textbook C	Measurement	13	Time	9	Year 1C Unit 17 Time	See above
	Measurement	14	Weight, volume and temperature	10	Year 1B Unit 11 Introducing weight and volume	Started during remote learning Lesson 2: Measuring weight Lesson 5: Measuring capacity
