10th February 2020

Dear Parents/Carers

Year 6 SATS Preparation

This afternoon, your child should be coming home with two revision guides: an English book and a maths book. These have been provided by the school to support your children during the run up to SATS. There is an expectation that these are used both at home and school and that they are regularly brought in and checked by adults. These revision guides will also be used to set homework on occasions, so they must not be lost or misplaced.

Initially, we will set specific homework tasks from these books and then later on in the year the children will be able to use them more freely.

Year sincerely

L. Jarvis
