28th February 2020

Dear Parents/Carers

Year 5 Trip to Ferry Meadows – Wednesday 18th March 2020

This term our topic is 'Rivers'. The children will be visiting the River Nene, so that they can study how a river functions. They will be taking part in an environmental course, learning about the stages of a river and using tools to measure flow. This trip will allow them to experience a river in person and give them an insight into the important workings of a river.

This trip will happen on the **Wednesday 18th March**. We will be leaving school at 9.15am and returning before the end of the day. Children will need a packed lunch and a drink in a plastic container. No glass bottles or cans please. If your child is entitled to free school meals and you would like the school to provide a packed lunch please indicate on the reply slip below. You will need to send a drink. If you would like school to provide a packed lunch at a cost of £2.20, please indicate on the reply slip below, which you will need to pre-order by **Friday 13th March**.

The cost of this trip is: coach hire £135, the Nene Park Trust Environmental Course fee at £310 and insurance for 60 children at £10.50 making a total of £455.50 divided by 60 pupils making a total of **£7.60 per child**. If your child is in receipt of Pupil Premium funding we are offering a 50% discount of the price which makes the cost **£3.80 per child**. We are able to take online payments if you wish to pay by this method, please log in to your account on Parentpay.com. If you have forgotten your log in details, please contact the office, who will be happy to help. Whilst this is a voluntary contribution, should enough support not be forthcoming, we do reserve the right to cancel the visit.

We will be travelling to and from the river by coach. Children are to wear school uniform tops, old trousers and a pair of comfortable shoes as we will be doing quite a lot of walking.

Please complete the attached form and return to the office by **Friday 13th March**.

We believe this will be a valuable addition to your child's understanding and enjoyment of our rivers topic.

Yours sincerely,

H. Charlton
