

PETERBOROUGH LOCAL AUTHORITY (LA)
DETERMINED SCHEME FOR
CO-ORDINATION OF
PRIMARY ADMISSIONS FOR SEPTEMBER 2020

Introduction

- 1.1 All local authorities are required¹ to formulate a scheme to co-ordinate admissions during the normal admission round to maintained primary and secondary schools (including academies, but excluding special schools and maintained nursery schools) within their area.

Co-ordination for September 2020

- 1.2 Peterborough City Council (LA) will notify the Secretary of State for Education by 28 February 2019 that agreement to its co-ordinated scheme for admissions has been secured and has provided him/her with a copy of this document

Admission Criteria

- 1.3 Within the co-ordinated scheme, the LA, as the admission authority will set and apply the oversubscription criteria for all maintained community and voluntary controlled schools. Academies, voluntary aided, free and foundation schools will set and apply their own oversubscription criteria.

2 Aims of the Primary Scheme

- 2.1 Co-ordination schemes are intended to simplify the admissions process whilst reducing the likelihood of any child being left without a school place. Co-ordination establishes a mechanism that ensures that, as far as is reasonably practicable, every parent of a child living in a local authority area who has applied to a maintained school is sent a single offer of a school place by their local authority.
- 2.2 Co-ordination schemes do not affect the rights and duties of the governing bodies of voluntary aided and foundation schools to set and apply their own admission arrangements and oversubscription criteria, nor for academies and free Schools to agree their own arrangements with the Secretary of State. Admission authorities do not have to determine the same or similar oversubscription criteria, but must ensure that their own admission arrangements are compliant with legislation and the School Admissions Code and compatible with, and do not undermine, the co-ordination scheme for their area. These arrangements are required to:-
 - Meet all statutory requirements relating to the co-ordinated admissions process;
 - Ensure that the needs of the child and the wishes of the parent(s) are the prime considerations;
 - Ensure that as many parents as possible gain a place for their child at one of their preferred schools;
 - Ensure that every child living in the LA area who has applied for a school place in the normal admission round is issued with an offer letter on the agreed offer letter date;
 - Specify how late applications should be dealt with and how applications that fall outside of the normal admission round should be dealt with;
 - Ensure that all parties to the admissions process work together to achieve the above aims, within the limits of the legislation relating to school admissions

¹ The School Admissions (Admission Arrangements and Co-ordination of Admission Arrangements (England) Regulations 2012 No.8

3 The Scheme

3.1 The scheme shall:

- apply to all community, voluntary controlled, voluntary aided, foundation and academy secondary schools in the LA area;
- ensure that a fair and transparent system for the allocation of school places is achieved;
- require the LA to produce a guide for parents providing information about the primary admissions process, the application procedure and containing information relating to every maintained primary, infant and junior school, or Academy, in Peterborough specifying the criteria by which the admission authority for each school shall determine whether a child is to be granted, or refused, admission. This booklet will be available on the LA website www.peterborough.gov.uk/admissions no later than 12 September and in hard copy upon request.
- provide a single on-line application form enabling a parent living in LA area to apply for up to three primary² schools, whether in the LA's area or not, to give reasons for those applications and to rank them in order of preference;
- provide a paper common application form upon request for parents/carers unable to make their application through the on-line facility;
- ensure that on the national offer date (16 April, or next working day, where this is a weekend or bank holiday) a single offer of a primary school place is made by the LA to the parent of every child living within the LA area for whom an "on-time" application has been received within the published timetable;
- stipulate timetables for all aspects of the process;
- set out a procedure for determining any application made otherwise than in the course of a normal admission round, or where it is for admission during the normal round, any application submitted after the application deadline stipulated by the scheme;
- specify whether, in determining if a pupil is to be granted or refused a place at a school in the LA area, the LA will have regard to any information provided by another LA as to whether that pupil is to be granted a place in that LA's area.

4 The Process of Allocation

Normal admission round

- 4.1. This scheme will apply to all children resident in the LA area, or living in another LA area, who are applying for a school place at a Peterborough maintained school, or Academy, for the school's initial year of entry for the start of the relevant autumn term; that is, either Reception Year (for all infant and primary schools); Year 3 (for all junior (KS2) schools) or Year 5 to other local authority area Middle Schools – the normal admission round. This scheme will apply to all admission authorities in the LA area.
- 4.2. Applications received for children transferring to Reception, Junior or Middle School will only be considered in the normal admission round where the year group applied for is the point of entry to the school. Applications received for schools where this is not the point of entry will be considered as an in year application and processed in accordance with the published in-year co-ordinated scheme.

² Within this scheme, 'primary' refers to any school with an initial year of intake between Reception and Year 6.

- 4.3. For information regarding admission to these year groups and all other year groups after the start of the academic year please refer to “Co-ordinated In Year Admission Scheme.”

Common Application Form and the Admissions Information Booklet

- 4.4. Parents are expected and encouraged to apply online. We will, therefore, limit the availability of a paper version of the common application form; instead signposting the on-line access to as many applicants as possible.
- 4.5. The LA will provide a brief guide to the application process and information on applying for a school place in advance of the application process opening to all:
- Early Years Settings, Primary and Infant schools in respect of admission to Reception; and
 - Infant schools in respect of transfer to Junior school
- 4.6 This information will allow settings and schools to support the parents of children who are due to start, or transfer, to the school the following September. Electronic copies of the Admissions Information booklets, (composite prospectus) will include information and guidance explaining the operation of the co-ordinated scheme and advice on completing the application form, will be available on the council’s website. Hard copies are available on request.
- 4.7 The on-line facility is available at: **www.peterborough.gov.uk/admissions**
- 4.8 The on-line facility, or the common application form, (whichever is used by the applicant) will collect the basic pupil/parent data required by all LAs to process the application. This will include the child’s name, date of birth, address, telephone number, applicant details, infant school attended (where applicable), sibling details, nationality and whether or not the child is Looked After or was previously looked after, but ceased to be so by reason of adoption, a care arrangements order or special guardianship order, or has a statement of special educational need (SEN) or an Education Health Care Plan (EHCP).
- 4.9 The application form will allow parents to express a preference for up to three schools, to rank the preferences in order and to provide reasons for their preference.

Supplementary Information Form (SIF)

- 4.10 Admission authorities, other than the LA may have their own Supplementary Information Form (SIF) for the collection of any necessary additional information from parents to enable them to apply the school’s oversubscription criteria. This will include any criteria relating to church attendance.
- 4.11 A SIF must not ask:
- personal details about parents and families, such as maiden names, criminal convictions, marital, or financial status;
 - for any financial contribution, voluntary or otherwise;
 - details of parents’ achievements, educational background or whether either the parents’ or the child’s first language is English;
 - details about parents’ or children’s disabilities, special educational needs or medical conditions;
 - about parents’ or children’s interests, hobbies or membership of societies;

- for parents to agree to support the ethos of the school in a practical way; or
- for both parents to sign the form, or for the child to complete the form.

4.12 Information on which schools may require a SIF will be provided in the guide for parents and on the website, where copies of the SIF will be available for download.

4.13 All parents making applications for a school requiring the completion of a SIF must still complete an online/paper common application form. All SIFs must be returned directly to the school being applied for by the national closing date. . Any forms, which are submitted to the LA, will be date-stamped and forwarded to the relevant school.

Processing Applications

4.14 The LA will co-ordinate all applications and the offer of places for all school places in the Peterborough City Council area (being the admissions authority for all community and voluntary controlled schools and acting as a co-ordinator for all other own admission authority schools within the Peterborough City Council area).

On time applications

4.15 An “on-time” application is an online or emailed application submitted and received by the local authority admissions team by no later than 23:59 on the National Closing Date (see timetable in **appendix 1**), or a hand-delivered or posted paper application received at the local authority offices within office opening hours of Monday – Thursday 9am – 5pm and Friday 9am – 4.30pm on, or before, the National Closing Date, where this is a weekend.

Late Applications

4.16 Any application for the normal admission round received after the national closing date will be deemed ‘late’. Late applications will be dealt with after all on-time applications have been processed and places allocated. Late applications will be processed in “rounds” and places will be allocated in accordance with the published timetable.

Verification of Data

4.17 Parents may be asked to provide proof of address by the LA at the data processing stage.

Request to Change Preferences

4.18 Once an application form has been received no changes can be made to that application after the National Closing Date has passed, unless there is a genuine reason for the change (such as a change of address or where siblings have changed schools). A second deadline date (see timetable in **appendix 1**) applies for such changes.

4.19 Parents or carers wishing to amend preferences after the closing date, will need to complete a “Change of Preference” Form, which will be available from the school admissions webpages, or by contacting the School Admissions Team. The new application will replace any previous application. This means that parents must include any schools from previous applications if they would like them to remain as a ‘live’ preference. If a school is no longer included on the most recent application form the parent, or carer, will be agreeing they are refusing any previous offer made for that school and any right of appeal against refusal of a place at that school. The

parent will also be agreeing that their child's name is to be removed from any Continuing Interest list for any school refused that is not included as a preference on the most recent application form. This ensures that a parent will have a maximum of three 'live' preferences for the normal year of entry at any one time.

Children of UK Service Personnel (UK Armed Forces)

- 4.20 Applications received for children of UK Service Personnel will be accepted in accordance with the requirements of 2.18 of the School Admissions Code. Applications submitted after the national closing date will be accepted and treated as having been received "on-time" where this is received with documentation specified in 2.18 of the School Admissions Code provided this received by the second deadline date specified in the timetable in **appendix 1**.

Applicants Moving into Peterborough

- 4.21 Applications submitted after the closing date will only be accepted and treated as having been received "on time" where a parent can demonstrate they have made an on-time application to the local authority admissions team in which they previously lived.

All Preferences Equal

- 4.22 Parental preferences will be ranked by the relevant authority within the LA area according to the oversubscription criteria for the relevant school. The numerical order of preference will not affect this ranking as the system operated is one where 'all preferences are equal'.
- 4.23 Own admission authority schools, who have chosen not to buy-back the validation service from the LA, will receive, through the Schools Portal, information about all preferences received for their school and will be asked to rank these preferences in accordance with the published timetable. Children will be ranked according to the school's determined over-subscription criteria and not by the order of their preference. These schools will provide, through the Schools Portal, information to the LA as to how these applications have been ranked in accordance with the school's determined admission arrangements in accordance with the published timetable.

Allocation of Places

- 4.24 The LA, using preference and oversubscription criteria rankings (including those supplied by own admission authority schools), will allocate places according to each parent's preference ranking, as follows:
- Where a parent's first preference can be met, a place will be allocated at that school. The LA will then 'discard', i.e. not consider, any lower ranked preferences.
 - Where a parent's first preference cannot be met, but the second preference can, a place will be allocated at the second preference school. The child's name will be placed on the Continuing Interest list for the first preference school ranked according to their oversubscription criteria. The third preference will be 'discarded' i.e. not be considered.
 - Where a parent's first and second preference cannot be met, but the third preference can, a place will be allocated at the third preference school. The

child's name will be placed on the Continuing Interest list for the first and second preference schools ranked according to their oversubscription criteria.

- Where none of the parent's preferences can be met, a place will be allocated at the next nearest school to the home address with available places (if the child resides in the Peterborough City Council area). The LA will, where possible, work with another LA to offer places where the next nearest school with a place available is located outside of the LA in which the applicant resides. The child's name will be placed on the Continuing Interest list for first, second and third preference schools ranked according to their oversubscription criteria.

Co-ordination with Other Local Authorities

- 4.25 The LA will, wherever possible, take account of higher preference offers that can be made by another local authority where notification of these is received in accordance with the published timetable.

Offer Letters

- 4.26 Parents will receive one offer of a school place. Offers will be in the form of emails to those parents who have made an "on-time" online application. Parents who have made a paper application, or for whom a change of preference form has been submitted before the second deadline (See 4.17 and 4.20), will receive a paper offer letter sent by 2nd class post on the National Offer Day. The offer will provide parents with information about the reasons for refusing their child at their first, second or third preference schools (if applicable). It will explain that they have the right to appeal against those refusals.

Reply to an offer

- 4.27 Parents are required to accept/refuse the allocation of a school place within 10 school days of the offer letter being sent, or posted. During that period the allocated school will attempt to contact parents to confirm if the place offered is to be accepted, or refused. No later than, ten working days after the national offer date the LA will send a chaser letter to all parents who have not confirmed their admissions decision. If, after a further 5 working days from this date, no decision has been received from the parent, the place may be withdrawn and will be included and offered as part of the "second" round of allocations.

Refusing an offer

- 4.28 **Parents should not refuse the offer of a place unless they are certain of a place at an alternative school.** (This does not remove a parent's right of appeal, but should ensure that all children have a school place.)

Co-ordination after allocation day (16 April)

- 4.29 The School Admissions Code (page 37 "The Admissions Timeline") clarifies that parents must continue to apply to their home local authority for "late" applications for the normal admissions round (i.e. between 16 April and 31 August for reception, Year 3 and Year 5 places for September in the same year). The LA will continue to co-ordinate the offers for places to the point of entry of a school during this period, liaising with other LAs and own admission authority schools in their area. This will ensure that places which become available are re-allocated effectively and duplicate offers are avoided.

5. Continuing Interest Lists

- 5.1. Continuing Interest lists for all oversubscribed schools will be maintained and held by the LA until 31 December of the year of admission, or 31 August, where the school manages their own in-year admission. Continuing Interest lists are held in strict oversubscription criteria order. Applicants will be ranked according to each individual school's oversubscription criteria and the LA will continue to coordinate with own admission authority schools to allocate places from those lists, if places become available.
- 5.2 After the offer date there will be no distinction between 'on-time' and 'late' applications on continuing interest lists.
- 5.3 Schools must advise the LA when a place becomes available. The LA will then offer the place to the child who is at the top of the continuing interest list.
- 5.4 Parents will be asked to confirm that they wish to stay on a higher preference school's continuing interest list when accepting an offer of a place at a lower preference school. A child's details will not be added to a school's continuing interest list if a higher preference school has been offered. Refusal of a place when offered a preference school will automatically remove the child from the continuing interest list.
- 5.5 If, after a child is offered a place at a lower preference school which they have not yet started, a place becomes available at a higher preference school and their name has been added to the continuing interest list for that school, the original offer will be withdrawn and a new offer is made. The reason for this is that the child will not yet have started, or been placed on roll at that lower preference school and we are obliged to meet a parent's highest preference. If a parent is happy to accept and keep the lower preferred offer, they must inform the LA to remove them from the higher preference school's continuing interest list. Failure to do so will result in the offer for the lower preference being withdrawn and their place (at the lower preferred school) being offered to the child who is top of the continuing interest list for that school.
- 5.6 After the offer date, if a parent wishes their child to be considered for an alternative school, a new application form must be completed listing the new order of preferences.
