

# Free 'Dr Bike' M.O.T check

## At Thorpe Primary On Wednesday 7<sup>th</sup> October

Dear Parent/Guardian,

On **Wednesday 7<sup>th</sup> October**, Eric Schneider and Gemma Hughes, your Sustrans Bike It+ officers will be offering **FREE bike safety checks for your children's bikes**. We are also happy to look at parent and staff bikes as well. We will be carrying out minor adjustments, pumping tyres and possibly replacing brake cables or pads where necessary. The checks will take place throughout the day.

With Covid 19 still an issue there will be a few changes in how we operate. All of the bikes will be disinfected before and after we work on them. We will be filling out our Dr Bike work sheets detailing work done on the bikes but we won't be leaving these with the bikes. If there are any serious issues that need your attention we will let the school know and send them an electronic copy of the Dr Bike sheet. We would also ask that if you **DON'T** want a bike checked please leave it in the KS2 bike sheds and any bike parked in the KS1 bike sheds will be checked.

Regards,

Eric Schneider  
Sustrans Bike It+ Office
