There are no changes to this Policy apart from updating the Review dates.

Children in Care have been a priority group for the DfE to be in school during the 3 lockdown periods.

Staff in schools with Children in Care have had to complete forms weekly for the Head of the Virtual Service.

During this past year a Digital Platform has been set up by the Children's Commissioner for Children in Care and those previously in care. This digital platform, IMO, serves as a meeting point for children in the care system and care leavers, and offers opportunities and gifts to support their wellbeing and provides a way for them to make themselves heard.
