

## Holiday Activity & Food Programme at Orton St Johns School

Premier Education are proud to announce that this Christmas we will be partnering up once again with Peterborough Council to support them in delivering their Holiday Activity & Food Programme (HAF). The Department of Education funded scheme is being run by Peterborough County Council.

As well as taking part in the activities the children will also receive a free hot lunch each day to keep their energy levels high and maximise the fun that they will have with their friends. All of this totally **FREE OF CHARGE**.

These sessions are not delivered by the school; we are helping to promote them to ensure you are aware of the opportunity. The activities will be delivered by Premier Education.

We are truly excited about being able to give the children this opportunity to be active in a fun and safe environment this Christmas following the huge success of the Summer program.
